| APPEARANCE     | The wine is a deep, crimson-hued red. The nose offers a framework of black fruit flavours mingled with chocolate, pepper and spice notes as well as a floral touch from the estate's exceptional Cabernet Franc grapes, which express all the elegance of the vintage. Château d'Armailhac 2022 is the epitome of contained power, showing all the density of the vintage offset by great freshness and remarkable length, Fleshy and rich, with creamy texture underpinned by rounded and perfectly constructed tannins. |                               |                                                                                       |
| NOSE           |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                               |                                                                                       |
| PALATE         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |                               |                                                                                       |
| AGEING         | Matured in a combination of 30% new oak barrels and 2nd fill barrels from Mouton Rothschild.                                                                                                                                                                                                                                                                                                                                                                                                                              |                               |                                                                                       |
| PAIRING        | Grilled or roasted red meats and hard cheese are the ideal match.                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                               |                                                                                       |
